Healing After An Abortion

Friends and Partners of FPRC,

Foothills Pregnancy Resource Center wishes each and every one of you a fun-filled and safe summer as you enjoy family vacations, weddings and more. We want to take a moment to share some astonishing things which **YOU** have helped us to accomplish. Better yet, take a moment to share with a relative or neighbor about the work **we are doing together. Let's look together toward the future and our impact!** We encourage you not to overlook your giving as the summer months are a leaner season overall, yet the need is consistently there among those we serve.

In our twelfth year of service:

*A weekly Women's Support Group was formed that models a safe and healthy community to the women we serve. It is facilitated by a professional spiritual formation director. Over 15 clients have been attending.

* We are offering groups and individual support led by a professional clinical psychologist whose heart is to wrap around our clients and help our men and women maintain balance in their lives.

*Our director Lori has just returned from Brazil, where she was part of an anti-trafficking task force. She worked in the mega-brothels with prostitutes and some of the marginalized street children who are at—risk. She led several workshops sponsored by local churches and organizations within the city of Sao Paolo, the world's fourth largest city.

*One of our Biola University nursing interns continues to assist with our Parenting Class this summer. What a blessing, as she brings her expertise and an additional bilingual component to the group.

*Our Second Annual Friendship Tea and Fashion Show took place on Saturday, June 7th at United Methodist Church, Monrovia. Thank you to all who attended and shopped in our thrift shop at the church! We invite you to plan to attend this event next spring.

*Our "Friday With Friends" (Teen Support) facilitator/volunteer was so thrilled with our model of caring for clients that she decided to apply for a directorship of a pregnancy center in the Midwest. She was successful and is leaving Southern California to assume her post in Kentucky. We are very proud of her...and blessed to see that our influence extends near and far!

We love sharing testimonials from Foothills Pregnancy Resource Center...

As our services and influence grows and reaches many, we are touched by the stories our clients share:

"You saved my daughter's life."... One mother shares as she extols the post-abortion healing classes we offer.

"The women are treated so special and with so much dignity that they want to return week after week to the Support Group."... A director of another local residency program for mothers in recovery. Women from her program attend our classes each week.

"You guys are here for me. You have helped me in so many ways. I honestly feel like you guys saved my baby's life."... A homeless mother who lives at a nearby shelter.

"I knew my friend would be treated so special here. That is why I brought her."... In this case, a former client talked her friend into coming to talk with us first before she went anywhere else. There is nothing stronger than a referral from a treasured friend.

WON'T YOU PLEASE HELP THE STORIES CONTINUE THIS SUMMER OF 2014? HELP US DO A MIGHTY GOD-SIZED THING IN THE LIVES OF MANY. AND "THANK YOU" FOR YOUR DEDICATION TO THE WAY YOU GIVE.

Thankfully,

FPRC Board of Directors:

Brian Rietze; Laura Smith; Lori Berg and RN Mary Ann Graham

P.S....Coming up, Friday, November 7th at Monrovia Community Center, our Annual Gala, "A VISION BEYOND OUR RESOURCES".

We are currently looking for matching grants for special events; local area business partners who would like to invest in an engaging program; and Table Sponsors! Help us spread the word. Please mark your calendars now...plan to be with us for "***A VISION BEYOND OUR RESOURCES***", ***Friday, November 7th!***
