Calling all artists!!

Foothills Pregnancy Resource Center is hosting its Annual Gala Event, “Recycling Hope”, Friday, November 6, 2015. We are extending a very special invitation to artists who share a passion for hope and renewal.

Foothills Pregnancy Resource Center serves many women who are at a crossroads in their lives. The Center is staging a day of art and healing, whereby a number of the women we have served will express their healing journeys through art. Then, at the Gala Event, their artwork will be on display. In addition to the artwork created by these women, along with the professional work for auction, stories will be shared by men and women whose lives have been impacted by FPRC.

The invitation we extend to you is to donate a piece of your work for a silent auction. All of the funds raised at our annual event go directly into the yearly budget, thereby allowing us to continue doing hope-bringing and life-changing work. Here’s to a beautiful evening of story, music and art. We are confident that the healing pieces, along with an array of professional art for auction, live stories from some of our clients, music, food and friends will make for a very memorable evening.

Thank you for donating to this worthy organization and a fabulous event, “Recycling Hope”. Please contact me to make arrangements to deliver your donated artwork. Your piece should be gallery-ready, complete with all hardware and packed in a safe container. Submittal dates will be now through October 30th (times vary). I am available to answer any questions you may have. 626-358-2122.

I am including our ID#:91-2148733 for your records.

With warmest appreciation,

Lori Berg
