

Pamper Day
Volunteer Arrival – 9:30 AM
Saturday, February 10, 2018

Needs:

*****Volunteers who help with food arranging in the kitchen**
*****Volunteers to help prepare the food and bring it the day of, or day before (finger sandwiches, veggie and fruit, cheese, chips and dips, etc...)**

*****Volunteers to help with the childcare**

(Santa Teresita across from pregnancy center provides us a room)

*****Volunteers to shadow our clients and workers to make sure everyone gets food and services available**

*****Volunteers to do nail-painting**

You get the idea!!! We need all kinds of help to make this very special day happen! Our clients look forward to this all year long, but we need 40 volunteers to make it happen.....

VERY IMPORTANT note.....we do ask the volunteers to arrive by 9:30 just so that we are in place before the clients arrive. We realize that not all volunteers can stay the whole day....we invite you to be with us, help us and help to encourage these women.....for the length of time that you can give us!

Clients are treated to:

Hair styling and cutting by Pasadena City College beauticians

Gift baskets and Raffle prizes throughout the day

Babysitting so they can enjoy the event with no worries

Tea-style foods

Nail polishing

Neck and shoulder massage

And a special room for guided prayer.....

**Won't YOU please come and
help us "pamper" our special friends?**

**Call FPRC Staff for details or
if we can answer any questions: 626-358-2122**

God bless you all!!!!
